About the Club

For over 50 years, the Hoppers Crossing Soccer Club has held the roles of a sporting team and social outlet for people across our community.

We are situated on Grange Reserve, Hogans Road in Hoppers Crossing and service the population growth of the Werribee/Tarneit/Truganina corridor and the surging interest of soccer in Australia.

The club is represented by 800+ members, 4 senior sides, 18 junior teams and our MiniRoos Academy.

Our Senior Men and Woman represent Hoppers Crossing Soccer Club in state league 2 North/West

The club is committed to providing a high standard of soccer coaching and training to all ages, implementing the Football Federation Australia's National Curriculum with the aim of nurturing local junior children and developing their skills and talents to make them into the stars of tomorrow.

As a multicultural club we build our team on respect and camaraderie.

Club History

Our club was founded in 1971 as Mossfiel Rangers Soccer Club, before becoming Hoppers Crossing Soccer Club in 1992.

We were originally based out of Mossfiel Reserve before moving to our current home, Grange Reserve in 2006.

If it wasn't for Ken & Ellen Slack in 1971 there would have been no club, it was their determination and volunteer spirit which drove us in those early days and continues now.

Over 50 years the Hoppers Crossing Soccer Club has amassed over 50 premierships and honours.

Vision and Mission Statement

Vision

To be the club of choice for residents of Wyndham and Melbourne's outer West.

Mission

To provide a club that competes at all levels from Mini-roos through to Seniors through the Football Victoria league structure.

To adequately source players with the ability to compete at each level.

To encourage player participation and develop skills to achieve soccer excellence.

Provide a safe, clean and welcoming environment for all cultures, genders and abilities.

To recruit and retain skilled volunteers who add value to the club through their contributions.

Maintain financial stability to guarantee the future of the club.

To align the club with sponsors that embrace a mutually beneficial relationship.

Be recognised as a community leader in sport.

Club Programs

Academy

Saturday mornings are dedicated to our children's program called Academy where children as young as 6 can start to learn the basic skills of soccer and importance of teamwork.

It is a fun environment managed by coaches and parents who volunteer to make a fun experience for children to get their first taste of the sport.

ASD Academy

At Hoppers Crossing Soccer Club, we want to make sure that no kids miss out on being a part of a team.

We introduced our ASD Academy in 2021 for children with Autism, the program is run on a Saturday morning when the ground is quiet to accommodate those with sensory issues.

Our program combines occupational therapy warm up and training with soccer drills.

Club Facilities

Three Pitches

The Hoppers Crossing Soccer Club provides our members with two grass and one artificial pitch, all of which benefit from lighting to enable training to occur and games to be played at night.

Pitches 2 and 3 can be divided into junior pitches allowing four junior games to be held simultaneously.

Change rooms

Hoppers Crossing Soccer Club is proud of our teams and we offer separate male and female change rooms.

This courtesy is also afforded to referees with provision made for added privacy and security for female referees.

Club Rooms

The club rooms are the heart of our administration and social aspects of the club. This space is used for meetings and celebrations.

Sponsorship Packages

Becoming a sponsor of the “Reds” is not only a great way to contribute to the community but also represents a fantastic way to showcase your business.

Corporate Ground Signage

Advertise your company with Corporate Ground Signage (900mm x 2.4m), which will be located on the main pitch for the duration of the soccer season (March – October).

As we host several teams from across the North/West, the reach your Corporate Ground Signage will achieve is huge and will assist your business' growth.

All Corporate Ground Signage is designed, and all final approval is given to you, the sponsor, before your sign is manufactured.

LED Electronic Scoreboard

Your company could have your advertisements and promotions screened during our games every weekend during the soccer season and special events.

Our new LED Electronic Scoreboard is a great way to broadcast advertisements or promotions about your company to everyone attending the games or fortunate enough to be walking through the reserve.

Social Statements

Acknowledgement of Country

We acknowledge the Traditional Owners of the land on which our club sits, the land of the Bunurong People and pay our respects to Elders past and present.

Environmental

The Hoppers Crossing Football Club actively encourages recycling of reusable materials where practical.

The Club Rooms benefit from solar panels on our roof to reduce our reliance on carbon emitting power sources.

Our pitches benefit from recycled water from the Western Treatment Plant as part of the Wyndham City Council's Purple Pipe network.

Inclusion

We accept all people and strive to instil respect within our players and club members at all times.
